Respected Sir,

We have utmost pleasure to bring to your kind notice that we,

**AROON A SHETH & COMPANY(AASCO), SANGLI** are one of the largest business houses in southern Maharashtra since last 70 years. We have been associated with few of the world's most reputed companies. We are the leading Distributors, Suppliers dealing in various Agricultural as well as Industrial products. We believe in total 'Customer Satisfaction' and their needs are taken with utmost importance. We have a team of few wonderful, marketing as well as technical people as we also undertake turnkey projects and provide after sales services such as excavation, laying, jointing, and installation of PVCO & HDPE Pipes.

Also, we were the very first to introduce PVCO pipes for lift irrigation scheme in India. Since then we are passionately working to promote PVCO in Irrigation & in Agriculture sector resulting in huge savings over total project cost with zero maintenance helping towards the betterment of the society as a whole. We also had a brief stint in the production of PVCO & HDPE Pipes until we handed it over to Supreme Industries.

We have now joined hands with the parent company, technology holder Molecor, Spain and are the official representative pan India for PVCO PIPES & FITTINGS.
